WOULD YOU LIKE TO JOIN A TENNIS LEAGUE?

The Boulder Tennis Association offers a fun and exciting way to enjoy tennis. This is a great way to meet new tennis players and play competitively within your skill level.

HOW TO GET STARTED

To get started playing in a league, you need to complete the following five steps:

1. JOIN THE USTA.

You will need to join the USTA. You can do this by calling 1-800-990-USTA. The cost is \$40.00 and must be charged to a major credit card. You will receive your permanent USTA number at that time (save it), which your team captain will need to register you for league play.

2. HAVE AN NTRP RATING

You will need a current computer-generated NTRP rating or you will be required to rate yourself using guidelines provided by the USTA. If you need to do a self-rating, this will be entered on TennisLink when your league coordinator registers you on a BTA team.

3. JOIN THE BTA

You will need to join the BTA before you can play in a BTA League. Membership fees are \$25/person, \$30/family, \$15 Senior (60+). You may join online @ www.bouldertennis.org (at a \$1 savings) or you may send a check to:

Boulder Tennis Association
P.O. Box 912
Boulder, CO 80306-0912

4. CONTACT YOUR TEAM CAPTAIN

If you played on a BTA team last year, you should contact your team captain. Your captain will need to register all players with the Coordinators listed in your team category. Information packets will be sent to last year's captains. All other prospective players should contact the appropriate League Coordinator to be put in touch with current league captains or given information on forming your own team.

5. FIRST COME, FIRST REGISTERED

The Boulder Tennis Association has a limited number of courts available. Teams will be registered on a first-paid, first-registered basis. Therefore, it is imperative for all captains to register teams with League Coordinators as soon as possible. See the list in this flyer for the specific Coordinator for your league. If you are interested in playing on a team, call the Coordinator listed for that league.

NOTE: BTA policy mandates that at least 50% of the members of each team must be rated at the level the team is playing.
