UPCOMING EVENTS

League Registration
Begins March 1st

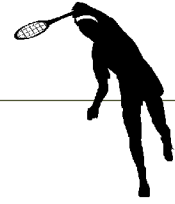

Clyde Rogers Award: Valerie Walls

Presented each year to an individual for outstanding contributions to recreational tennis players in Colorado. Named in honor of Clyde Rogers, former tournament director of the Memorial Day Washington Park Tournament. The tournament was later named after him in honor of his dedication and service to the community. Valerie has been absolutely amazing in volunteering for and promoting wheelchair tennis throughout Colorado as well as promoting tennis in the Boulder community. We love you Valerie!

Colorado Tennis Hall Of Fame: Fay Shwayder

A Denver native, Fay first picked up the game at Denver City Park, where her lifelong love affair with tennis began. Fay had a long and distinguished tennis career. She first captured the Denver City Championship in 1933 at the age of 17. Twenty-five years later, at the age of 42, she was again crowned the tournament's singles champion. Fay was a singles finalist eight other times. Alongside fellow Colorado Tennis Hall of Famer Phyllis Lockwood, Fay captured the Denver City women's doubles title four times, in 1954 and 1956-58. The pair also captured three Intermountain Sectional Championship women's doubles titles three times in 1954, 56, and 59. Partnering with Doug Corley, Fay earned the 1956 Denver City Championship Mixed Doubles title. Fay also captured the Colorado State Open Women's Singles title in 1963, and the doubles title in 1964 with Ann Rockwell. Congratulations Fay — one of the founding members of the BTA!

By Bruce Ross

My friend and I were playing a set of tennis. I noticed that he was foot faulting and pointed it out to him. He replied, "What is the big deal about foot faulting"? KH

ANSWER What is a foot fault? The rules state that during the servicemotion, the server shall not: A. Change position by walking or running, although slight movements of the feet are permitted; or B. Touch the baseline or the court with either foot; or C. Touch the area outside the imaginary extension of the side-line with either foot; or D. Touch the imaginary extension of the centre mark with either foot. If the server breaks this rule it is a "Foot Fault". The Code states, "Habitual foot faulting, whether intentional or careless, is just as surely cheating as is making a deliberate bad line call".

Describe the situation that concerns you followed by the specific question. Send e-mail to tenniscode@yahoo.com

2005 LEAGUES

Enclosed with this Newsletter is the 2005 BTA League Brochure. Take a few minutes to peruse it and be tempted by the league offerings in the Boulder area this season. Call your friends. Form a team for the leagues you are interested in. Then, call the League Coordinator for that league. League registrations begin March 1 for all leagues, with specific team registration deadlines for each. As stated in the League Brochure, the BTA leagues are self-forming and captain-driven. We have sent out Captain's Packets to all of last season's captains. We will send one to anyone who expresses an interest in forming or captaining a league team. We are available to give all the support you need in captaining a team.

Recreational league play is an exciting, high-energy way to improve your game, meet new players, make new friends, and enjoy the game of tennis to its fullest! We encourage you to get involved. If you want help in forming teams, call a League Coordinator and we will put you in touch with other interested players. For general questions and information, call Sylvia Henderson @ 303-651-1292.
